

Updates on select projects from Pressler Engineering's 2005 Hawaii portfolio.

Wailea Beach Villas Sales Office,

Located at the Shops of Wailea; *Pressler Engineering* is providing air conditioning, ventilation, plumbing and fire sprinkler design for a 3500 sf realtor sales office. A unique feature within the sales office is a furnished condominium unit.

James Tucker & Associates is the architect.

Wailea Beach Villas Sales Office

2284 Kalakaua

A new 2 story retail shell totaling approximately 28,000 square feet with 25,245 square feet of retail lease space. Features include two restaurants, exterior landscaping and a large area for outdoor kiosk booths. Construction is scheduled to start in May or June of 2005. Our work involved design of future A/C, plumbing, and fire sprinkler.

Architects Hawaii, Ltd is the architect.
