

2006 Pressler Engineering, LLC Project Updates

Ocean Pointe Elementary School

Ocean Pointe Elementary School consists of seven buildings, an administration building, a student services center, cafeteria, library and three classroom buildings to accommodate 725 students from kindergarten to sixth grade.

Pressler Engineering, LLC provided the mechanical engineering for this project, including central water source heat pump cooling for all buildings.

*The architect is Architects Hawaii, Ltd
Honolulu, Hawaii*

Construction continues on Ocean Pointe Elementary School

Hobron Apartments consists of a complete renovation of a four story, 13-unit apartment building located at Hobron Lane, Waikiki, Hawaii.

Pressler Engineering, LLC provided as-built plumbing design drawings for permit for U.S. Pacific Construction, Inc. for this project.

The project in the background is Discovery Bay. This project was designed by Thomas Pressler and Owen Nitta (Pressler Engineering, LLC employees) in 1976. It consists of 650 apartment units and 50,000 SF of commercial space.
